

Sunoco AC Affecter

SUNOCO, having the largest market share of Refrigeration Oils throughout the world, has developed a Special Additive Package for Car Air-Conditioner with the latest technology.

IMPROVE !! Cooling Efficiency of Car Air-Conditioner

What's "SUNOCO AC EFFECTER"

Refrigeration Oils for air-conditioners and refrigerators are the strongest items for SUNOCO.

Suniso branded refrigeration oils are being used by many customers, holding a major market share in the world.

"SUNOCO AC EFFECTER" is a product that has been developed with new generation technology by SUNOCO who has a long and wide historical background of refrigeration oils.

This unique product, "SUNOCO AC EFFECTER", features improvement of lubricity of a compressor, by minimizing the friction in a compressor.

It also reduces unpleasant vibrations and running noises and resulting in high cooling efficiency as well as improved mileage and power consumption.
