

## About Us

Coolmate is the only authorized Original Equipment installer of Denso Corporation of Japan for Toyota Motors Philippines (90% of total production is Denso), Mitsubishi Motors Philippines (Pajero), Suzuki Philippines (Vitara & Grand Vitara) and Isuzu Motors Philippines (Hi-Lander Crosswind).

As of August 2005, we have 75 employees composed of technicians, engineers, supervisors, office personnel, managers and officers.

Coolmate Corporation's product line and services include Denso Car Airconditioner, Denso Bus Airconditioner, Denso Transport Refrigerator, Denso Rebuilt Compressors, Denso Remanufactured Radiators, Denso Wiper Blades and Denso Iridium Spark Plugs.

### Vision Statement

"Our vision is to be the country's leading provider of automotive aircon products and services. We will provide our customers with excellent service beyond their expectation and envied by our competitors. We will be the standard that the automotive aircon service industry will follow."

### Mission Statement

"It is our duty to serve our customer needs with professionalism, honesty, and expertise."

"We will provide our employees with the necessary equipment, tools, training, and education. We will give them the opportunity for personal development and listen to their ideas. The employee's well-being will grow together with the company."

"We will protect the interest of our stockholders and ensure that the company is profitable."

"Being part of a community, it is our responsibility to protect the environment they live in by making sure that we do not contribute to its deterioration."
